Dear Alan

**Kirkwall Office**

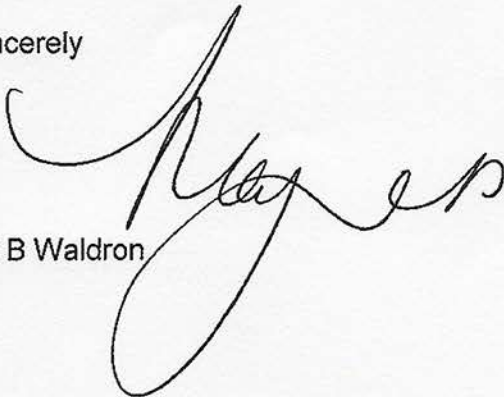

I would like to take this opportunity to thank you for the phone system you have provided to our Kirkwall office, ensuring we have smooth communications both between offices and with our clients. Telephone communications are a vital part of our (as well as almost every other) business. We can enjoy free calls between offices and we can answer calls for the Kirkwall office too. It is fantastic. I do not understand the technology, but then I do not have to – you attend to that for us!

The Law Practice looks forward to continuing our relationship with ALGlobal in the future and I would have no hesitation whatsoever in recommending your services.

Thanks again!

Kind Regards

Yours sincerely
